1. What are the strengths of the instructor(s)?

The instructor is very knowledgeable about the subject area and is very enthusiastic about primates. He is very organized in his lectures and is very clear of his expectations for the exams. His notes are also very good... (understandable and easy to follow)

2. What are the weaknesses of the instructor(s)?

The instructor sometimes doesn't pay attention to class especially if someone's hand is raised to ask a question... too focused on lecturing
