Please write your comments inside the boxes.

1. What are the strengths of the instructor(s)?

He is extremely organized and has very clear notes. It was very easy to learn from him because of this. He is very knowledgeable. I liked that he really followed his outline.

2. What are the weaknesses of the instructor(s)?

He sometimes spoke a little softly or monotone, so it would be hard to focus once and a while.

Please write your comments inside the boxes.

3. What do you suggest to improve the course?

Maybe be a more engaging speaker, maybe that will come with more experience.

4. Anything else? Please provide any additional comments here.

I was worried taking a class with a prof who hadn't taught yet but really enjoyed Professor Campos' teaching style. I really liked this class.
