**PLEASE PROVIDE COMMENTS ON THE INSTRUCTOR, THE COURSE, AND SUGGESTIONS FOR IMPROVEMENT.**

**Please write your comments inside the boxes.**

1. What are the strengths of the instructor(s)?

Dr. Campos is incredibly knowledgeable in the subject of anthropology. He was very good at explaining terminology and providing examples to <sup>increase</sup> ~~improve~~ understanding. For his first semester teaching, I think he did a fantastic job.

2. What are the weaknesses of the instructor(s)?

He does not really have any weaknesses, in my opinion. If anything, speaking with more enthusiasm could be improved. Other than that, he was great!

Please write your comments inside the boxes.

3. What do you suggest to improve the course?

It would be nice if there was a lab so students could examine different fossils in order to help students who are kinesthetic learners understand better.

4. Anything else? Please provide any additional comments here.

Great job on your first semester of teaching!
